P.A.B. CODE

To assist school jurisdictions in identifying and coding book orders for P.A.B. classification, the column entitled “P.A.B. Code” has been provided. The classification coding detail to be utilized in this column is totally at the discretion of the individual school district. A school **should not** use the column until specific instructions have been given by the central office of your school jurisdiction.

If requested, the School Book Branch will transpose the code number onto the invoice.
